## **THE EXPANSION OF OUR FACILITIES A PROGRESS REPORT**

We are continuing to make good progress in the fulfillment of our long-cherished plan to upgrade our facilities. I want to give you the following update. And also I wish to inform you that within three weeks all the necessary drawings will be submitted to the City of Anaheim Planning Department. Here is a detailed description of what we have had to do before we can appear before the Planning Commission.

1. A Water Quality Management Plan has been prepared.
2. Architectural drawings have now incorporated all the landscape and hardscape changes required.
3. Civil drawings reflect the latest changes in the site plan.
4. A landscape plan has been completed by the landscape architect.
5. A soils report has been completed.
6. An electrical plan for parking lot lights has been completed.
7. A surveyor has completed a tentative tract map.
8. A comprehensive sewer study has been prepared by the engineers.

We want you to know that we are working diligently for our parish. We have also made great progress in the preparation phase of our Capital Fund Campaign.

To all of you, on behalf of my committee, I wish Kalo Pasch (Happy Easter)

Paul Nikolau, Chairman

#### FOR YOUR INFORMATION

Some of the Sunday visitors to our church, and even many members are not aware that on the **FIRST SUNDAY** of each month, the Liturgy is mostly in English.

We hope that our many converts and those other members who may prefer a mostly English service will remember to take advantage of this opportunity.

However, a warning is necessary. Those whose attendance is infrequent need to remember that, if they happen to attend a mostly English liturgy such as we have TODAY, they should not be shocked nor conclude ***that we have done away with the Greek. Of course, on the other Sundays we will continue to employ both languages.***
